Pondicherry University

Respected Sir,

Sub: Permission to advertise-University website- Research Assistants – Reg.

I have two on-going research projects, viz.,

1. *“Utilization of think aloud protocol and portfolio writing on enhancing cognitive competence on writing” funded by DST*
2. *Portfolio writing: A Reflective Strategy on Learning Core Courses in Teacher Education Programme funded by ICSSR.*

Mr. Menon Monge and Mr. Senthilnathan were the Project Assistants respectively. Both of them have got appointment outside and thereby they are getting relieved from the above post by this month. Since both the projects are experiments and the field is four Teacher Education Colleges in Puducherry, the PI needs research assistants for six more months. Hence I request you sir to give me permission to advertise in our University website.

Thank you,

Yours Sincerely,
